I did another. I was surprised how easy it was. Nana By-line: Nick Dent In what could be viewed as an act of charity, Maxine Charles has revealed the identity of the man who is the father of her baby. A proud mother named Maxine Charles, 44, from Pukekohe, was shocked to learn that the man who is the father of her child is none other than local builder and guitarist Matty Foster. Maxine, who is expecting a baby boy in mid-

---

October, says she is "totally unaware" of how the three-year relationship came about. "He asked me on Facebook the other day and I just couldn't believe it, I couldn't believe that he was my guy. I just didn't expect it from him. He's always been a bit of a ladies' man, I've been on the line for a few years now. He's a bit of a good guy with good values." Maxine admits her relationship with Foster became physical almost immediately. "He just stepped in and took over with no effort, I thought, 'where did he come from?' I just thought he was really good looking so I gave him a chance. But my best friend was with him the day after we first met
